

QBE At a glance

QBE is an international insurer and reinsurer offering a diverse portfolio of commercial, casualty and specialty products, personal line and risk management solutions.

QBE utilizes three major rating agencies and is committed to maintaining its ratings at their current levels, with an AA- S&P rating, and more than \$30 billion of funds under management. QBE has the financial strength to realize our purpose, and help those around us build strength and embrace change to their advantage.

Our approach

Helping you to achieve your ambitions – At QBE we aim to give you the confidence to achieve your ambitions by helping you manage the risks associated with those ambitions – allowing you to focus on the outcomes you want, rather than on what might hold you back. We are able to do this because our technical expertise, product range and global reach mean we can cover your business risk. Taking a proactive approach to even the most complex risks and listening closely to your needs allows us to come up with the right solutions for your particular circumstances.

Our approach is applied consistently across underwriting and claims. We are easy to deal with, innovative in our approach and deliver the cover you need. In the event of a claim, you will see for yourself why our claims team has a deserved reputation for the professional, and efficient way they work with brokers and insureds.

We look forward to working alongside you to understand your ambitions and bring a fresh approach to meeting your insurance requirements.
